### Tyre Scanners

- One of the scanners touch screen has stopped working
- Annette to contact Datanet

### State Championship

- Blow up arch is to be sent, Karl and Annette will look at the best option

### Cairns meeting change request

- Request to run a meeting on the SKC weekend, so far this year both race meets have been washed out and to work with the speedway this was the only weekend. The one wet contingency meet will already need to be used.
- All agreed as long as the president still attended the SKC

Also went through our running items list however there were no updates
