

Instructions for using the new “Participant Licence”.

The new rule which came into effect on the 1st January, 2017 is “a competitor under 18 years of age cannot enter a race meeting or request a licence change”.

These function’s must be done by the competitor’s Parent/Legal Guardian.

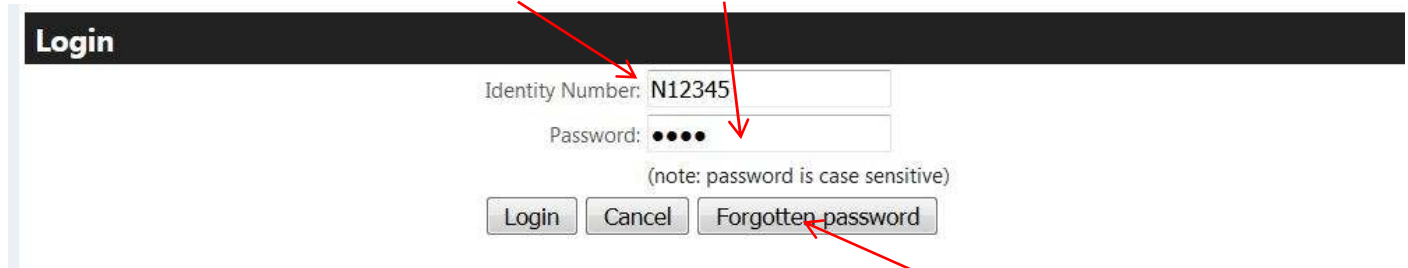

This person can hold either a current “Competition Licence” OR a current “Participant’s Licence”.

You can apply for a “Participant’s Licence” at <https://karting.net.au/cms/participant-licence>

You will need a digital (jpeg) “passport” style photo ready to attach to the application. There is no cost involved and the request is processed instantly. On completion of the application the Participant will be emailed with their licence number and login details for their Participant’s Licence.

Once the Participant ID number is obtained the Parent/Legal Guardian must log into the “Minor’s Competition Licence” at <https://karting.net.au/cms/member>

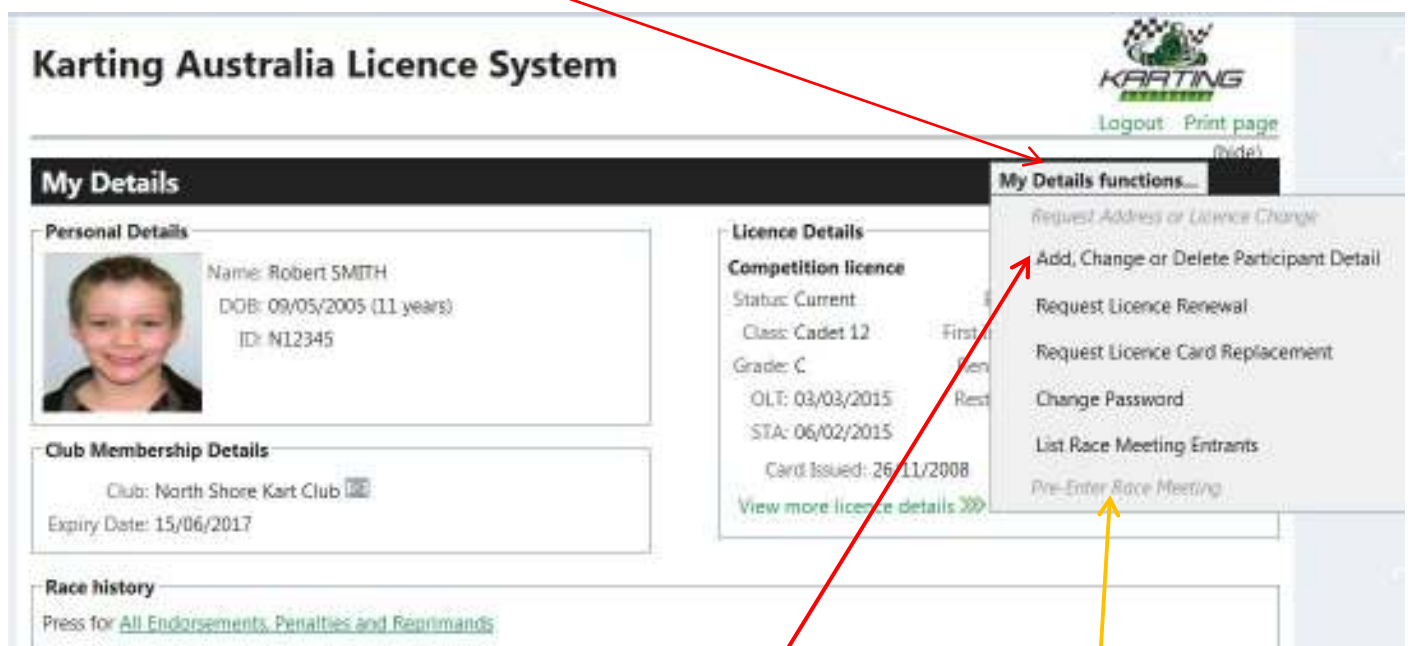

You will be asked to log in. Enter the Minor’s ID and password.

There is a forgotten password facility for your convenience if required. Click on the button and the password will be emailed to you.

You will be now presented with the drivers Home Page.

Move your mouse over the “My Details functions” section and a drop down box will show the available functions.

You will then need to select the “Add, Change or Delete Participant Detail” function.

You will see that the Minor can no longer “Request Licence Change” or “Pre-Enter a Race Meeting” in this licence as this can only be done by the Parent/Guardian from their Participant’s ID.

The next step is to “Add” the guardians “Participant ID” or “Competition Licence ID”. A maximum of TWO is allowed.
