

STATE POLICY WEB SITE

Karting Queensland will maintain a World Wide Web site presence with the domain name Karting Queensland. The web site domain will be in the Associations name and all accounts associated with the site will be presented to the Executive Committee prior to any payments being made. The site is for the benefit of advising the general public, the Association's affiliates and licenced holders, and for the purpose of promoting Karting activities of the Karting Queensland

The web site is to have available content pages noting clubs officials and other information as requested by the affiliates.

All of the Executive committee will have access to all functions of the web site and the Executive and or State Secretary will be solely responsible for uploading Karting Queensland official documents and any National information that is required and approved to be promulgated to the Association's affiliated clubs and or licence holders.

An avenue for the uploading of Supplementary Regulations for club events is to be made available, and all SR's for Karting Queensland calendar approved meetings will be uploaded to the site by the Executive / State Secretary as applications are processed.

**Approved – Council Meeting - Date SKC – 27 August , 2003 Modified – Date 28 June, 2004 -
